Hall

On November 1, 1946, a number of students and faculty members gathered to witness the formal opening of the new student union, Blaine Hall. This name was selected by student ballots in honor of Dean Blaine, dean of the college since its establishment in 1938. By choosing this name, the students of Joplin Junior College showed their appreciation to a man who has given faithful service to the interests and welfare of the college.

The three-story brick building is located adjacent to the college building at the corner of Fifth and Byers. On the top floor are the Chart office, the Crossroads office, and a classroom; the main floor consists of a cafeteria and dining room. The Lions' Den, a recreational spot for the students, is located in the basement.

"To Each His Own"

It seems that J. J. C. couldn't decide whether it wanted Nancy or Jean for its own—so for the first time in the history of Joplin Junior College two girls were elected to reign as queens of the 1947 Crossroads. They were crowned at a formal coronation ball at the Scottish Rite Temple by John Kinmonth, business manager of the yearbook.

Merry Melodies

The books are just a front. Tall, blonde, and handsome. The joy of being a Beta pledge. You lovely things, you! Leaving us, kids? Winter time—Brrr! Is this why people go to summer school! Singing or yawning, Don? Cutie! Three hunks o' masculinity. Look! Men! Millions of 'em? Smile Kathleen, everyone else is.

Strictly for the intellectual type.

I love ya' honey, but your feet's too big!

Betty and Wilma in a lighter moment.

Is this what one finds
"Down by the river?"

On the outside lookin' in.

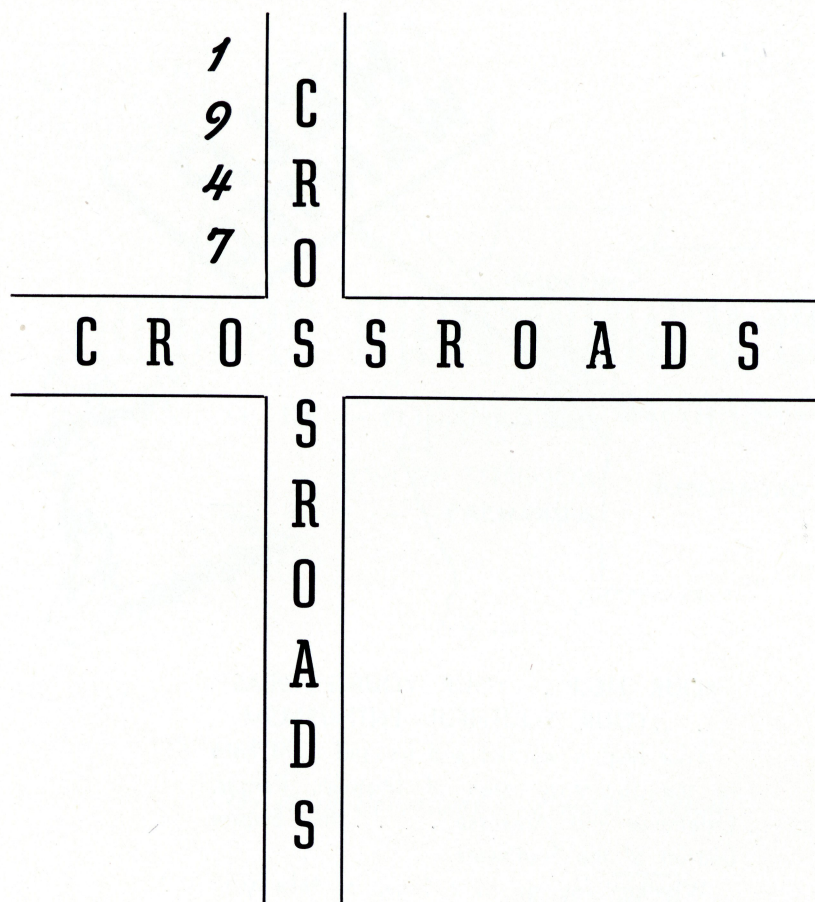

Information, please!

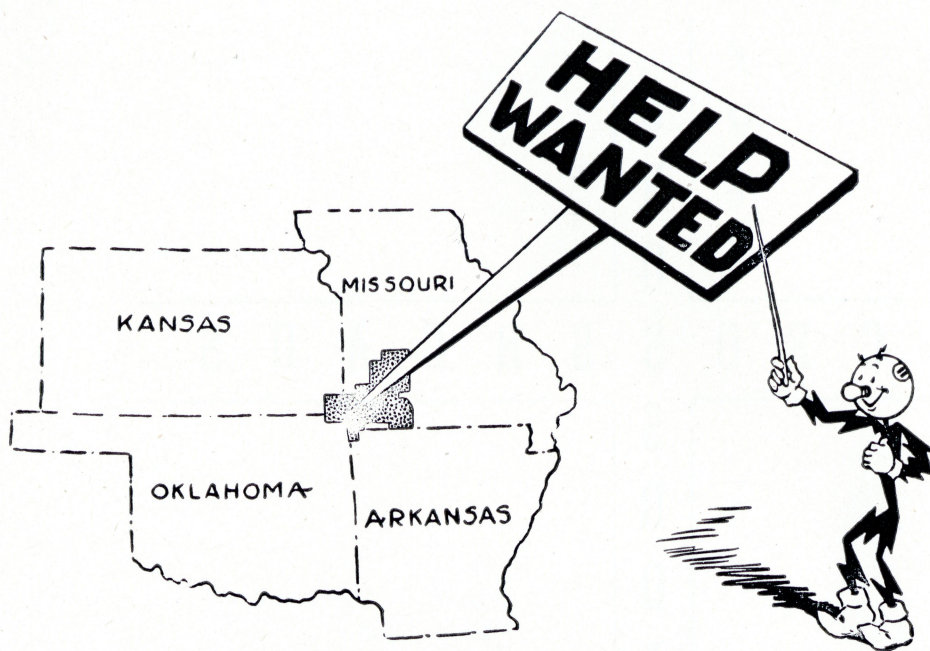

I don't believe a word of it, Alan! J. J. C. on a tree. Braggin' or complainin', Rob Roy?
 This outdoor life is so invigoratin'! Beta "Hell Week." What can *this* mean?
 Find something or lose something?

We here at BURGER-BAIRD'S have a special interest in publications of educational institutions—their yearbooks, viewbooks, magazines and bulletins. We have maintained a special College Department to handle this business for the past thirty years.

Our College Department has earned its distinguished reputation, which is genuinely national, by bringing top rating again and again to the publications which we serve.

BURGER-BAIRD has one of the finest publication libraries. We want you to feel free to use it. Make BURGER-BAIRD your headquarters for working out your problems of art, photography, engraving, art, printing and binding.
